Summer Camp Information

Dear Prospective Camper & Parents,

Thank you for your interest in our Summer Camp. We are prepared to offer you a fun and educational equestrian experience in a beautiful environment. We know that you will fall in love with our wonderful horses as you develop your riding and horsemanship skills.

You will find our equestrian oasis nestled in the foothills of Azusa Canyon. Surrounded by the San Gabriel River on three sides you couldn't ask for a more picturesque setting to further your equestrian future.

Whether you are a first-time rider, intermediate or expert equestrian, our Summer Camp will help define, strengthen and polish your position.

We are looking forward to teaching you the art and skills of hunt seat equitation (English saddle). Feel confident that you are riding at one of the leading training facilities in the country. Many of the horses and riders we train are nationally recognized year after year. We'll do our best to match you up with just the right horse, one that matches your ability level and compliments your personality.

You will enjoy daily riding lessons with our friendly, experienced instructors and camp counselors on one of our lovely school horses. We will help to broaden your knowledge of riding theory, horsemanship and horse husbandry (including- grooming, tacking, general horse health care, responsibility of ownership and more) during our lectures and labs held every afternoon. The best part... you will have an opportunity to practice your new horsemanship skills the following day.

Other activities include Arts and Crafts, horse painting (we supply the paint, you bring the ribbon and bows), people jumping contest, show & tell and much more.

Our camp is open to riders ages 7 to 17. We can evaluate younger riders if you wish to schedule a lesson at least one month prior to camp for a fee of \$50.00. We have a weight limit of 140 pounds. Campers are required to wear the correct riding attire (as described in our attached Riding Attire handout) at their own expense. The ranch does not supply any riding attire. Payment in full is due with registration. Unfortunately, registration forms without full payment will not be accepted.

Camp Dates: Session I June 11, 12, 13, 14 <> Session II June 18, 19, 20, 21
Price \$520

We offer a 4% cash discount if paid by cash/check = \$500

If you are ready to improve your riding skills, to have fun and to learn about horses in an enjoyable and safe environment this summer, please give us a call at (626) 334-9480 or send an email to: rainbowcanyon@earthlink.net. Please visit our website (www.rainbowcanyonranch.com) for our complete Riding School / Summer Camp brochure as well as directions to the ranch. Should you have any further questions or if you wish to schedule a tour of our beautiful facility please give me a call.

Best regards,

Summer Camp Information
RIDING ATTIRE

Dear Parent or Guardian,

Here is a list of our required riding attire for camp. Please note that this attire is required for the safety and comfort of your child. The boots are designed to fit the stirrups safely and correctly. Riding breeches or tights help with traction and help to protect your child's legs from friction rubs (regular tights will not protect their legs) they also protect our saddles from unnecessary wear. An ASTM/SEI approved riding helmet is designed specifically for horseback riders- bike helmets are not. Please give us a call if you have any questions regarding riding attire.

HELMET All students are required to wear an ASTM/SEI certified helmet in black (you can purchase a colored cover for your helmet if you wish). We strongly recommend that you have your helmet fitted (by your actual head size) at the tack shop as opposed to purchasing a small, medium or large helmet. Be sure you try the helmet on with your hair pulled back and tucked up in the helmet; since this is the way you will wear it when you ride (please bring a rubber band to pull your hair back - scrunchie's are too big to be worn under the helmet).

PANTS & BOOTS Riding breeches and tall, black, leather field boots or breeches and leather half-chaps with paddock boots are suitable. Half chaps/paddock boots may be a better option to get a good fit. If you would prefer tall boots, please call us first for tips on the proper "fit".

Please note that tennis shoes, cowboy boots, construction type boots and rubber riding boots are NOT suitable for riding but are fine for other non-riding activities. Please send shorts/jeans for non-riding activities.

SHIRTS T-shirts, polo shirts, and oxfords are all acceptable. Students will tuck their shirts in to ride, so avoid over-sized shirts. Shirts must cover up your belly button. We also suggest you bring a lightweight jacket or sweatshirt, as well as insect repellent and sunscreen.

GLOVES Leather gloves are optional.

WEIGHT LIMIT Weight limit of 140 pounds.
