At Rainbow Canyon Ranch we offer a diverse range of training options for our clients and their horses. Our accomplished and experienced trainers, Mary Gatti and Kim Tasker, take a positive approach to the training and development of clients and their horses.

With an individualized training program that is aimed at building the confidence of both horses and riders. We understand that each client has specific needs, goals and abilities. Our trainers strive to build a path that puts our clients and their horses on the road to success.

We offer individual as well as group lessons, and customized horse specific training, all designed to bring out the best in both horse and rider.

Our clients year after year, have consistently met their goals, winning National, Regional and Local Hunter and Equitation Championships, and Medal Finals.

We feed only the best quality hay, offering a choice of Alfalfa, Timothy, Orchard or a Combination, that will best suit your horses' needs. We also offer a lunch and supplement feeding program for horses that require extra feed or care.

Our 24 hour on-site staff offers full attention to your horses well-being, safety and needs. Horses are fed on a regular schedule twice daily. All stalls are cleaned daily, box stalls have open air gates with scoop necks and all paddocks have large shelters.
