Summer Camp Information

Dear Prospective Camper & Parents,

Thank you for your interest in our Summer Camp. We are prepared to offer you a fun and educational equestrian experience. We know that you will fall in love with our wonderful horses and we know that you will enjoy our beautiful surroundings while learning and developing your horsemanship skills.

We are looking forward to teaching you the art and skills of hunt seat equitation (English saddle) in a safe and fun environment. Feel confident that you are riding at one of the leading training facilities in the country. Many of the horses and riders we train are nationally recognized year after year. We'll do our best to match you up with just the right horse, one that matches your ability level and compliments your personality.

Please visit our website (www.rainbowcanyonranch.com) for our complete Riding School and Summer Camp brochure as well as directions to the ranch. You are welcome to give me a call if you have any further questions on our camp or on our riding attire requirements as listed below or if you wish to schedule a tour of our facility (626) 334-9480.

Best regards,

Candise Pipkin, Manager

RIDING ATTIRE

HELMET

All students are required to wear an ASTM/SEI certified helmet in black (you can purchase a colored cover for your helmet if you wish). We strongly recommend have your helmet fitted (by your actual head size) at the tack shop as opposed to purchasing a small, medium or large helmet. Be sure you try the helmet on with your hair pulled back and tucked up in the helmet; since this is the way you will wear it when you ride (please bring a rubber band to pull your hair back - scrunchies are too big to be worn under the helmet).

PANTS & BOOTS

Riding breeches and tall, black, leather field boots or breeches and leather half-chaps with paddock boots are suitable and the most practical choice.. There are many economically priced boots available to choose from. . Tennis shoes, cowboy boots, construction type boots and rubber riding boots are NOT suitable for riding.

SHIRTS

T-shirts, polo shirts, and oxfords are all acceptable. Students will tuck their shirts in to ride so please avoid over-sized shirts. Shirts must cover up your belly button. We also suggest you bring a lightweight jacket or sweatshirt, as well as sunscreen and insect repellent (the river surrounds us on three sides). GLOVES Leather gloves are optional. WEIGHT LIMIT 140# Additional clothing for non-riding activities: jeans, shorts, tennis shoes, etc. NO sandals flip/flops or open shoes
